

CHAD CAMPBELL

Graphic & Web Designer

JOB EXPERIENCE

WEIDENHAMMER SYSTEMS CORP.

Graphic Designer | July 2010 - June 2016

As the in-house graphic designer, I've worked on various projects for the company. Projects like corporate rebranding, a 10' X 20' tradeshow booth for software products, website design of the company intranet and partner website, email marketing, case studies, and other print collateral items.

C2D | CHAD CAMPBELL DESIGN

Freelance Graphic Designer | May 2008 - Present

I've worked with a construction company designing their brand identity and print collateral. A property management company designing various advertising pieces like flyers, cards, brochures, booklets, vehicle graphics, and shirt designs. Recently, I finished a website for myself on antique collecting at brewaf.com along with a business card and flyer.

DESIGN REVOLUTION STUDIOS

Intern | June 2007 - August 2007

My internship was very enjoyable. I was involved in many different projects like calendar design, logo design, magazine ads, shirt design, video, email marketing blasts, and social media.
